CALL FOR CLINICAL CASES

The Course Directors and Co-Directors invite you to participate to this Congress by submitting your scientific **clinical case of particular interest and didactic value**. Please read the following guidelines carefully.
Clinical case submission is possible only through the on-line system available in the Congress website; cases submitted by e-mail, fax or post **will not be accepted**. The clinical case will remain on-line for the author review until the submission deadline.
Besides the technical performance, rational, clinical implications, perspectives and suggestions will be considered and evaluated. A brief introduction and discussion inputs must also be included in the clinical case.

The presenting author of a clinical case must be registered in the Congress.

Submit your case for a chance to present your work during one of the 3 oral clinical case competition or during the rapid-fire cases sessions in the Poster Area.

Submit your case for a chance to win JIM awards at JIM GISE 2027!

GET THIS GREAT CHANCE!
PUBLICATION IN AJC & CCI

Selected cases for the Clinical Case Competitions will have the opportunity to be published in AJC (online special issue) and CCI CASE REPORT section.

GET THIS GREAT CHANCE!
PARTICIPATION IN RENOWNED CONGRESS

Selected cases for the Clinical Case Competitions will have the opportunity to participate in 2027/28 renowned international congresses for interventionalists
